<b>SHANK STYLE</b>	Smooth
<b>POINT STYLE</b>	40 degree diamond
<b>COATING</b>	Double Hot-Dip Galvanized
<b>APPROX. NAILS PER LB</b>	16.4

#### Product Description

Ideal for aluminum, galvanized & vinyl gutters. The extra-thick STORMGUARD® zinc-coating will not react with aluminum. Strong, steel-core spikes drive better than aluminum spikes. For best results, spikes should be driven into rafters or trusses, not only into fascia. Minimum 1 spike every 24". Checkered heads enhance paint adhesion. Add \$31.64 per 50-lbs. for painting. \*These items available from stock in WHITE.

Disclaimer: This image represents an entire series of nails, so the length may not be the exact match to the nail in this spec sheet
