

MAKE YOUR MARK®

MEASURING WHEELS PAINT APPLICATORS

MEASURE AND MARK

Measure and mark simultaneously with **RRPA18** and **RRPA182**. These lightweight tools feature a trigger just under the pistol grip. Engaging the trigger fires off a burst of upside-down spray paint precisely where it's needed.

Easy-to-read, Magnified Counter The single wheel and dual wheel both have a 5-digit, easy-read, magnified counter that measures 9,999 feet, 11 inches without resetting. That's almost two miles.
