

LUCID™ COLLECTION

SPEAKMAN®

LUCID COLLECTION

With fluid lines and sleek details, the Lucid collection delivers the simple, unobstructed styling found throughout Europe's finest hotels and living spaces. Stateside, the luxury look brings transitionally styled spaces to life, and works seamlessly throughout a complete bathroom project – from sink to shower spa to must-have accessories. Every piece in the collection features Lucid's signature design details – including gentle curves, crisscrossing lines and soft squared angles – for flawless coordination.
