GARBAGE DISPOSALS

Speakman is known for reliable innovations in safety, performance showering, and commercial grade fixtures. That same performance and quality is now available under the sink in our line of garbage disposals. The Speakman 1/2 HP will tackle household needs for everyday food disposal. Built to last, the grinding system will finely grind particles to pass through the pipes. The continuous feed technology is backed by a 1700 RPM motor that is available in 1/2 and 3/4 HP to handle kitchen waste with ease.

GD-5012 - 1/2 HP

TECHNICAL

- The compact, space saving design is just 7" in diameter and will increase space available for storage in cabinet
- A durable, permanent magnet DC Motor for reliable performance
- Included and pre-installed 30" power cord for fast installation; while easily removeable for optional hardwiring
- Use with or without a dishwasher, easy tap-in access for dishwasher connection
- Backed by a 5 year warranty

GD-5034 - 3/4 HP
