

ROUGH-IN KITS

DESIGN FEATURES

- Can be used with 1 and 2 hole overflow plates, as well as our Revolver overflow plate
- Available in half kits and full kits; ABS and PVC
- Includes test capability

AVAILABLE IN REVOLVER OVERFLOW

- Single overflow assembly works with tubs from 1/8" to 7/16" thick
- Coarse thread allows for minimal turning to engage tub wall
- Low profile, snap-on faceplate

COMPLIANCES/LISTINGS

- Test Cap capable of four story testing (20psi) without blowing out and is easily removed after test
- IAMPO Listed 1232
- Meets ASME STD A112.18
